JESSICA'S BLOG

My name's Jessica and this is my blog!

Yesterday was awesome! The vlogger, Harry Langdon, was in my favourite shop – Modern Look. Do you know him?

I watch Harry's vlog every day. He gives teenagers lots of tips about fashion and hair. He's got beautiful, green eyes and black hair. His hair is really cool. He's got some fantastic ideas. For example, I'm very short and I wear glasses. I had curly hair for ages, but now it's long and straight. It looks great! It was Harry's tip and I love it! My friend Scott likes Harry's tips about clothes, too. Harry is Scott's style icon. Scott watches Harry's vlog every week and buys similar clothes to Harry.

I was in Modern Look yesterday with Scott. We were in the queue and there was a young man with beautiful, green eyes and black hair next to us. He had a new T-shirt in his hand – it was black and it had a picture of a bike on it. We weren't sure it was Harry at the time. Harry's always really trendy in his videos, but this man's jeans and jacket were very old. It was windy outside, so his hair was scruffy, too. Harry usually looks really cool, but this man wasn't cool!

Also, famous people don't go to Modern Look – they buy expensive clothes from expensive shops!

But now we know it was him! How do we know? Last night, we were on the Internet and there was a new video from Harry. This vlog was about his favourite T-shirts and Harry had a new black T-shirt from Modern Look... with a bike on it! It's very cheap – it only costs £5! I'm going shopping again with Scott tomorrow afternoon... he wants the T-shirt, too.

Bye!
